Customer Name: Alice
Customer Query: What are the pricing plans available for your software?
Department: Sales
Approval Needed: False (Status: N/A)
Memory Accessed: Yes
-----
Final Response:
Certainly! We offer three main pricing plans for our software:

1. **Basic Plan**: This plan is priced at $29 per month and includes core business management tools with a single user access.

2. **Pro Plan**: For those who need more advanced features, the Pro Plan costs $79 per month. It offers all the benefits of the Basic Plan plus additional advanced analytics capabilities, supporting up to 5 users.

3. **Enterprise Plan**: This plan is tailored for larger organizations with custom pricing options. If you require unlimited user access or dedicated support, please contact our sales team directly for a personalized quote and setup.

Which plan would best suit your organization's needs?

Customer Name: Charlie
Customer Query: My application crashes whenever I upload a file.
Department: Technical Support
Approval Needed: False (Status: N/A)
Memory Accessed: Yes
-----
Final Response:
Hello Charlie,

Thank you for reaching out to ABC Technologies Customer Support regarding your issue with the application crashing during file uploads.

To help resolve this quickly, please ensure that the file size is under 50MB and that it is in one of the following formats: PDF, PNG, or JPG. Additionally, clearing your browser cache and restarting the application might also solve the problem.

If you encounter a "500 Internal Server Error," which indicates an issue on our end, please contact our technical escalation team for further assistance.

Please let us know if this resolution works for you or if you need any additional support.

Best regards,
ABC Technologies Customer Support Team
